It was really nice this term again to welcome parents for a 'cuppa with the head' at the Parent Forum.

The Parent Forum is an excellent vehicle to enhance parent engagement creating an opportunity to share ideas, evaluate provision and offer support in school's future.

The school is a very busy place with staff doing their utmost to teach our pupils in a stimulating, happy and caring environment. There is no wonder our motto is 'A happy and friendly school that promotes education for all. Indeed, the Parent Forum itself is an opportunity to educate parents in the running of the school.

In this newsletter edition, you'll gain knowledge regarding the meeting content and the ideas discussed at the gathering.

Thank you once again for your presence, for being so positive with an open discussion full of ideas.

Here are some changes that the Parent Forum has helped the school deliver:

- *Creating a new welcome booklet for new parents.
- *Reversing the decision for white only polo shirts.
- *Evaluating the school behaviour policy.
- Evaluating the school's homework process

Prif amcan y cyfarfod yr wythnos hon oedd i drafod materion datblygu'r ysgol.

Cafwyd gyflwyniad i syniadaeth y cwricwlwm newydd. Trafodwyd athroniaeth y cwricwlwm i ddatblygu disgyblion a fydd yn meddu ar sgiliau'r pedwar diben.

Mae'r ysgol yn gweithio gyda'r syniadau uchod gan ganolbwyntio ar gynllunio gwersi gan roi ystyriaeth i'r Pedwar Diben. Nodwyd yn ogystal bod yr ysgol yn datblygu ymhellach y dull o gynllunio drwy thema i blethu meysydd / pynciau'r cwricwlwm yn synhwyrol.

What are the four purposes?

- ❑ Ambitious, capable learners who are ready to learn throughout their lives.

- ❑ Healthy, confident individuals who are ready to lead fulfilling lives as valued members of society.

Mae Gwyddoniaeth a Thechnoleg yn un o'r prif bynciau sydd yn cael ei ddatblygu yn ystod y flwyddyn. Holwch eich plant am y gwersi difyr sydd yn digwydd ar hyn o bryd.
